Kiss and Drop Zone

The Kiss and Drop Zone area is an area located in Terangion Street (at the site of the old bus zone) near the side school gates which enables you to drop your child off quickly and safely.

The intention is that drivers do not wait in these zones and that they stay in their vehicle so that traffic is streamlined and traffic queues are kept to a minimum.

We want to ensure that no child is hit by a car when going to and from school. You need to take extra care when driving and parking around school zones.

Make sure you and your child understand the road rules. If you break the traffic rules in a school zone you are putting children at risk.
