

Messages from the Principal

Unknown Payment

We still haven't found the owner of 3 payments made fortnightly with no name attached. If you think this could be you please contact Jen in the office.

2018 Enrolments

We are currently taking enrolments for Kindergarten and Pre-Kindergarten for 2018. Please call in and pick up an enrolment pack.

Rugby

Rugby continues this Wednesday for Sport. If your children wish to bring non-spiked football boots to wear, they may. Please note, that football boots are only to be worn for Rugby, not the whole day.

Air Museum Visit

Class 1/2 will be going to the Air Museum at the Narromine Aerodrome on Wednesday 31st May.

Cross Country/ Fun Run

Our cross-country/Fun Run has been rescheduled for this Friday, May 26th. It will be held at Rotary Park, Narromine. We would love you all to come along and support the students. If you are able to help out on the day please call the school and let us know. We will have the sausage sizzle in the park after the event.

Sponsorship money is to be handed in no later than Friday so we can order student rewards, you can complete it all online and just send in any cash collected if you prefer.

Students are to pack plenty of water and snacks for the day. The students will leave school at about 9:30am and return by 2pm.

Eisteddfod

Our year 3-6 students have been practicing their musical piece and polishing their performance for the up coming Eisteddfod to be held on 1st June. If you are planning on attending, there is a cost of \$5/adult & \$3/child. The session starts at 11:45am, the door will be locked after it starts so performances are not disturbed.

The students will get some practice on Thursday as they are going to Timbreebongie to perform for the elderly patients.

Parkes Observatory

Yr's K - 2 will be travelling to Parkes on 30th May to visit the Observatory. Full sports uniform is to be worn and remember to pack recess, lunch and a drink bottle.

Hand Foot & Mouth

There have been a couple of reported cases of hand foot & mouth. If your child is displaying any symptoms please see your doctor and keep them at home so we can stop it spreading. This condition is highly contagious.

Life Education Van

The Life Education Van is visiting our school today and Wednesday. The children are very excited to see Healthy Harold again.

FUSE

FUSE is on this Friday at the earlier time of **6:30pm**. Please bring along a plate of food to share. Everyone welcome.

Thought for the week

"Every accomplishment begins with a decision to try."

SLINX

Pr Jimmy Watanabe

Hi everyone! It's been a while! We just came back from Japan last week after six weeks of absence. Both my parents have been ill so we decided to take a long break to spend some time with them. We had a fabulous time in Japan with family and friends ;)

This term from the chaplaincy department, we are focusing on the theme of "Shine like a child of light." We are encouraging the NCS students to be a shining light wherever they go, at home, at school, in the playground, etc... The memory verse for this week is found in the New Testament. It says, "For you were once darkness, but now you are light in the Lord. Live as children of light." Ephesians 5:8

It is my prayer that the NCS students will be a shining light and a blessing to all wherever they go.

Just for a quick note, since I failed to explain earlier in the year, school chaplaincy services are for the students and their family. These are some of the services I offer:

- Counseling
- Home visitation (if needed by request) and prayer
- Chapel programs
- Bible study groups
- Guitar lesson groups
- Scripture class
- Week of Spiritual Emphasis (WOSE) twice a year
- FUSE (family church) twice a month

Please don't hesitate to contact me for any assistance from the chaplaincy service.

1st June	Yr1/2 - Town Library
2nd June	State Cross Country
9th June	Pupil Free Day
12th June	Public Holiday - Queen's Birthday

Pre-Kindy Mrs Roberts

It's hard to believe we are in Week 5 already!

This week in PreKindy we will be learning the phoneme Mm. We will be painting mice, moons, monkey masks and monkeys. We will be creating macaroni m's and maraccas. Our song for the week is the The Music Man.

Our number focus this week will be the number '8' and the shape we will be focusing on is the triangle. Our colour for this week will be white. We will practice counting from 1 to 15 and also learn about clocks. We will also be learning about Meerkats, Moose and Manatees in our nature study time.

I hope everyone has a great week.

K/1 Miss Harris

Hi everyone.

We are flying through this term! This week in maths we are looking at ordinal numbers, and talking about how they are used throughout our everyday lives and when we can use them. We have Healthy Harold coming to visit us tomorrow which is going to be lots of fun! Don't forget to return your permission slips to school for our excursion to The Dish. We also have the Fun Run/Cross Country this Friday which is going to be lots of fun. Don't forget to ask family and friends to sponsor you for the Fun Run. More money = better prizes. I hope you are all having a great week.:

1/2 Mrs Feo

Hi everyone and welcome to week 5.

This week we are busy again with Healthy Harold visit today and hopefully cross country/fun run on Friday. We are also learning about compound sentences and what has happened in history each day in Morning Routine; Narramine's history in History; chance in Maths and continuing to look at the phoneme "i" in Phonics.

Homework is back to normal again this week. Thank you to everyone for helping with homework.

Just a reminder to please sign the permission notes that have been sent home for Parkes Observatory excursion and the Air Museum trip.

I hope everyone has a great week, Mrs Feo

3/4 Miss Hall

Hello Families,

Welcome to the half way mark of term 2.

This week in Math we are focusing on different division strategies and how we can use them to help us solve mathematical problems. For English we have a strong focus on researching the topic of Nepal and beginning to write out information for our CWA research poster competition. In History, we will continue to explore Australian symbols/emblems and their meanings. During Bible, we will continue to focus on how God strengthened King David and apply it to our lives to know how God strengthens us for the challenges we face. Today our class visited the Life Education Van, on Thursday years 3 – 6 visit Timberbongie to sing to the elderly.

A reminder about homework, it needs to be brought in every day so students can change readers and have their extra in-class 1minute fluency practice.

Our Bible verse this week is: No one can serve two masters.
Matthew 6:24

Have a great week

5/6 Mr Walsh

Welcome all to week 5.

Term 2 seems to be flying by at rate of knots.

Yesterday, Joshua Dela Cerna was awarded my Student of the week for his excellent assessment results, dedication to his work and his ongoing commitment to learning.

Last week, I had the pleasure of again attending the CWA Public Speaking competition and the standard was very high. Our school was represented by Kevin Halton. Kevin did himself, and our school proud by presenting a high quality and engaging speech on the topic 'If I was 5 years older!' Kevin received a highly commended for his efforts and considering this was his first attempt at public speaking, he did exceptionally well. I took along several students to the event to give them a look at what the competition is about and the standard of speaking that is presented. All the students I took agreed it would be something they would like to pursue next year. A special thankyou is extended to Mrs Berger for her help preparing Kevin for his presentation.

This week, the Life Education Van will again be visiting our school and our class will have their turn on Wednesday at 11:30 am.

For the next few weeks, some time will be set aside during class time so students will have an opportunity to plan, research and develop their projects on Nepal, these will be judged by the CWA members. Hopefully, our students will put in a huge effort and produce high-quality projects.

A reminder that Friday is a huge day, with Cross Country officially taking place at Rotary Park from 9:30am onwards. Any parent help would be greatly appreciated. Friday evening, we again will be presenting the Fuse program for all students, parents, grandparents and anyone who you think would enjoy the night.

Till next week....

Remember go the mighty Blue and Golds.....

Home & School

Canteen Thursday- FULL CANTEEN HELPERS:

25/05/17 -Kylie Moore & Robyn Brown

1/6/17 - Robyn Brown & Sandra Wilcox

1/6/17 - Robyn Brown & Sandra Wilcox
