

Messages from the Principal

2018 Enrolments

Enrolments for Kindergarten and Pre-Kindergarten are due by the end of this term (June 30). Please get your enrolments in as soon as possible. If you or friends that you know, need an enrolment package, please call the office or drop in and pick one up.

Kindergarten Information Morning

There will be an information morning this Wednesday 21st June for new students in 2018. If you know of any families with children due to start school in 2018 please pass on this information. It will be a great morning to find out about school, how we do things and to meet other prospective parents.

Woolworths Earn & Learn

Narromine Christian School will be participating in the Woolworths Earn & Learn program this year. The program runs from 26th July to the 19th September. For every \$10 spent you receive a sticker to place on the sticker sheet that is available at any Woolworths store. Once the sheet is full it can be placed in the collection box here at school or at your nearest store. This is a wonderful opportunity for schools to be able to get resources for sport, maths, science and English.

Books to Cover

There are a number of book to cover if there are any parents/carers able to kindly donate their time. Just pop into the office and ask Jen or Cath.

Parent Teacher Interviews

Parent teacher interviews are on June 27th and 28th. Interview time sheets were sent home last week, please send them in asap.

End of Term/NAIDOC Day

Our school term ends on Friday, June 30. We will celebrate NAIDOC on this day. Students are to come dressed in outfits of red, black and yellow, we will doing some fun activities throughout the day. Closed in shoes must be worn.

School Attendance

If your child is absent from school for any reason a note explaining their absence is required. If your child is away for 3 or more days a medical certificate is needed. These are part of our government reporting requirements and we have to report on student absences twice a year. Please ensure your child is at school, every day it is open unless extenuating circumstances ensue.

FUSE

Fuse is on this Friday at 6:30pm. Please plan to come along, it is such a great evening of fellowship and bring a plate of food to share.

27th & 28th June Parent Teacher Interviews

30th June NAIDOC Day Celebrations
Last Day of Term 2

24th July First Day of Term 3

Pre-Kindy Mrs Roberts

Hello and Welcome to Week 9. It's hard to believe there are only two weeks left of Term 2!

This week in PreKindy we will be doing revision and testing. We will be making handprints and doing free paintings. Our number focus this week will be the number '10' and we will be reviewing the oval shape. We will be reviewing all the colours this week and we will practice counting from 1 to 15. In our Phonemic Awareness time we will be learning more about compound words.

I hope everyone has an enjoyable week.

K/1 Miss Harris

Hi everyone! I hope you have all had a lovely weekend. We would like to welcome a new member to our classroom. Ebony is excited to be here and we are looking forward to getting to know her better. In Geography this week we are learning about different countries and continents and what animals live on each. Please don't forget to do camera word spelling practice each night for homework. This can be written into the outdoor activity book. In our writing lessons this week our focus will be on commas. What are they and why do people use them. Have a good week! :)

1/2 Mrs Feo

Hi families and welcome to week 9.

I cannot believe we are into our second last week of school for the term. On Friday we had Miss Steward visit our class as she is one of the teachers taking over from me next term. She spent the day observing and working with the students in preparation for next term.

This week we have a normal week continuing our learning on the phoneme "o"; 2D shapes in Maths; how food or objects change when heat is applied to them in Science; how we can trust God in Bible and working as a team in P.E.

There are no camera words again this week as I am trying to get them ready for next term. Please remember to write in the reading books once your child has read them.

I hope everyone has a great week, Mrs Feo

3/4 Miss Hall

Hello Families, with only two weeks left of the term there is still lots of learning to do.

This week and next in English we have a focus on using our senses to help us convince others to eat, not eat, or use a product by using descriptive words in our writing and oral speech that create a sensory image in our minds knowing that it is the descriptive words that will convince the reader either way. We are learning to also identify adverbial phrases and how they do the job of an adverb. In Math, we have a focus on fractions and decimals and knowing how to convert them. We are learning how we can show empathy towards others in certain situations in Health class. In Bible, we have moved on to look at the story of King Solomon and learning how God has a plan for our lives. In History, we will continue to look at celebrations around the world, in particular – Hanukah. I know it is close to the end of term but it is still important that homework is sent in every day to be checked and students can complete in class practice reads and change readers as needed.

Our Bible verse this week is: All people have sinned and come short of the glory of God. Romans 3:23

Welcome to the Perry family and the Taylor family that have started at our school this week.

God Bless, Have a great week

5/6 Mr Walsh

Afternoon all, I trust you have all had a great week.

Yesterday, my Student of the Week award went to Jim Richardson for his dedication to learning, persistence and enthusiasm in class. His recent assessment results reflect these qualities. We have two new families to our school this week, I'm sure everyone is making them feel welcome and helping them settle in.

In spelling, we have now completed the series D book and are now moving on to the series E. This book will take us through to the end of the year and continue to build student understanding of a range of concepts and rules relating to spelling.

This week, we will also begin a new unit in Bible studies. Our focus for the next three weeks will be on Jonah and how he went against God's wishes before finding the right path God had intended for him.

Thankyou to everyone who came along and supported the sports carnival last week, the day went very smoothly and it was great seeing all the kids participate in each event.

On Friday, I sent out an information and permission note for the Canberra excursion. On the note it stated that the deposit is due by the end of term, if there is any difficulty with this please contact the office staff and an extension can be arranged.

Lastly, a quick reminder that Fuse is on again this Friday and it is hoped that we will see you all there ready for another great night.

Till next week....

School Chaplain Pr Jimmy Watanabe

Hi everyone! Hope you're having a nice week so far! This week the NCS students learnt about the story of Joshua and the battle of Jericho. According to the Bible in the Book of Joshua, Jericho was a huge city surrounded by high and strong rock walls. Conquering Jericho was almost impossible for the Israelites but when Joshua obeyed God's instructions God made impossible possible. The NCS students were encouraged to always trust God and to obey God. God knows what's best for each one of us. This week's memory verse is found in 1John 1:7. "Live in the light as God is in the light." Just as Joshua shone God's light by trusting and obeying Him, I pray that we may also trust and obey God in all His ways and shine His light.

Upcoming events:

Chaplain's Pancake Day for the pupils next Monday, 26th June

Coffee Mornings—every Thursday

FUSE—23rd June 6:30pm start
